

## NAIOP Chicago 37<sup>th</sup> Annual Awards for Excellence Finalists Industrial Speculative Development of the Year - Large Scale

### 1303 Jack Court | MWI Property Group

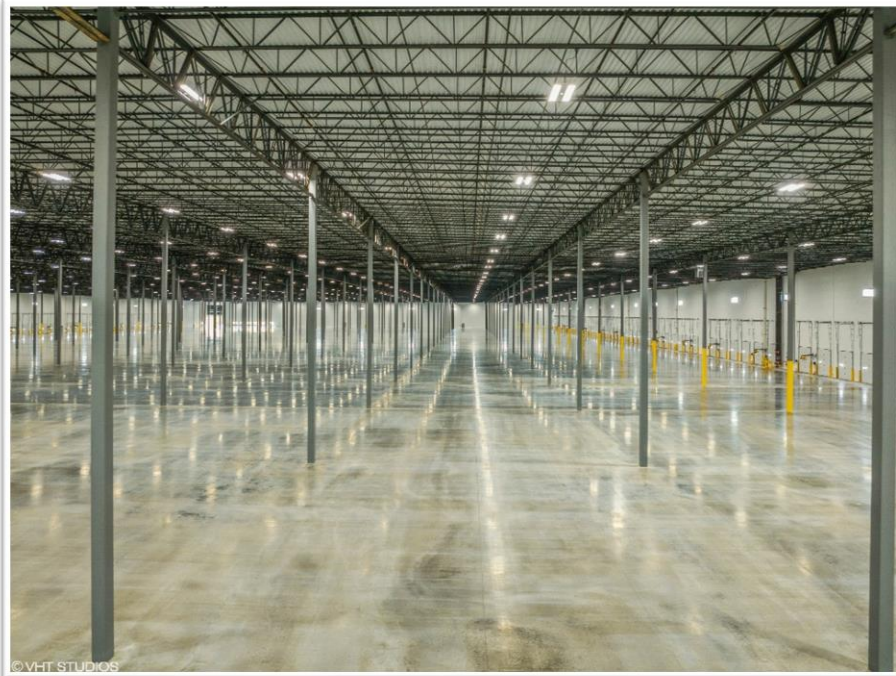

- **Address:** 1303 Jack Ct, Bartlett, IL
- **Square Footage:** 400,122
- MWI Property Group (MWI) developed this 400,122 SF spec building and sold it to a user-buyer, RIM Logistics, within 3 months of completion in December 2023. The property was attractive to RIM as a high-image global headquarters, with state-of-the-art building systems and a cross-docked layout. MWI Construction was the general contractor, Partners In Design the architect and V3 Companies the civil engineer. MWI effectively navigated through securing the Cook County 6b tax abatement, a winter conditions build, major topographical challenges resulting in 20'+ retaining walls, and the choppiest capital markets environment in many years to complete this successful project.
